

Sujal Rathore

MERN STACK DEVELOPER

A highly motivated MERN Stack Developer with 2+ years of hands-on experience in building scalable web applications. Proficient in JavaScript, React.js, Node.js, Express.js, and MongoDB, I am skilled at developing and deploying full-stack solutions that deliver high-quality, user-centered results. Passionate about following coding best practices, optimizing performance, and enhancing user experiences. Adept at collaborating in agile environments, integrating RESTful APIs, and implementing authentication systems with JWT. Eager to contribute to innovative projects and continuously improve through learning and problem-solving.
